Proceedings of the Madras Government, Public Works Department
4th January 1866.

No. 45. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp at Nellore, 17th December 1865, No. 124 :—

1. I have the honor to solicit Government with reference to paragraph 11 of G. O. 23rd August 1865, No. 2,458, to sanction an allowance of Rupees 48 per mensem for two bandies I engaged at 24 Rupees each for carrying office tents, records, &c., in my tour of inspection round this Division.

2. As the great distance I have to travel will render it necessary for me to be absent from head quarters for fully four months, I am necessitated to take a very large number of records, plans, &c., with me as well as a considerable quantity of stationery, office furniture for several Writers, and a proportionately sized tent for their accommodation, otherwise work would be seriously delayed to the prejudice of Government interests. Under these unusual circumstances I trust Government may be pleased to authorize the Controller to pass my bills for the abovementioned amount.

No. 46. ORDER THEREON, 4th January 1866, No. 21.

ESTABLISHMENT, No. 7.

Under the explanation which is afforded in the foregoing letter, the Controller of Public Works Accounts is authorized to pass the bills which may be submitted by the Superintending Engineer of the 2nd Division for the conveyance of office records while on his tour of inspection.
