Proceedings of the Madras Government, Public Works Department,
22nd *January* 1866.

No. 511. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 5th January 1866, No. 3,448:—

1. Adverting to the Proceedings of Government, No. 2,046, dated 17th July 1865, I have the honor to submit, for the sanction of Government, a plan and estimate, Rupees 1,700, for the re-construction of the large Equatorial dome at the Government Observatory.

1 Estimate.
1 Plan.

2. The plan has been approved of by the Government Astronomer, and the work is in execution on contract.

3. I regret that I am not able at present to suggest any source from which funds can be derived to meet the cost of the work, and I trust that Government will be pleased to allot the requisite sum, viz., Rupees 1,700, from any source at their disposal.

No. 512. ORDER THEREON, 22nd January 1866, No. 248.

CIVIL WORKS, No. 87.

1. The estimate submitted with this letter, amounting to Rupees 1,700, for the re-construction of the large Equatorial dome at the Government Observatory, is sanctioned.

2. The Superintending Engineer will take measures for providing the requisite funds in his Statements of Savings, &c., which should be laid before Government on the 1st March next.
