No 263.

Office of Dy Conservator of Forests
5th October 1865

From

Major R. R Morgan.
Deputy Conservator of Forests

To

Captain R. H Beddome
officiating Conservator of Forests
Ootacamund.

Sir

In reply to Col. Walker's Report No 123 dated 14th September 1865, I have the honor to report as follows.

2. It appears to me from para 3 of the above report, that Rupees 5,000 would be more profitably laid out on the Burghoor ghat. I have examined the trace for some miles from Burghoor to Andyoor, it passes through fair forest land, and a large tract of Sandalwood, and in my opinion it will become a most useful line, both for the Forest department and the Public.

3. As Col. Walker does not care to make a "Serated road" from Tullamullai to Tullawadi I am prepared to expend a small sum in making the road practicable for carts if sanctioned.

4. There is a Tullawadi on the Map, but that place is no longer exists, the new Tullawadi is the Head Quarters of the Sub Magistrate, and lies between Tullamullai and Attoolipurum on the Mysore frontier. Enclosures are returned

Proceedings of the Madras Government, Revenue Department,
21st November 1865.

No. 361. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 16th October 1865, No. 1,473 :—

In reply to the Government Order No. 2,326, of the 27th of September last, I have the honor to forward copy of a letter from Major Morgan. I quite agree with that Officer that the 5,000 Rupees would be best spent on the new Burgoor Ghát. If this work can be carried out during the official year 1865-66, the 5,000 Rupees can be transferred from our working charges to the Engineering Department; of this 2,000 Rupees can be spared from Mudumallay, and 3,000 from Salem. The estimate forwarded is herewith returned.

No. 362. ORDER THEREON, 21st November 1865, No. 2,849.

Forests, No. 4.

1. Communicated to the Department Public Works, with reference to docket in that Department, dated 22nd September 1865, on Colonel Walker's letter of 14th idem.

2. The Government approve the proposed employment of the available funds on the Burgoor Ghát, by the Forest Department, which must do the work.

Proceedings of the Madras Government, Revenue Department,
17th January 1866.

No. 266. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 6th January 1866, No. 1,534:—

1. With reference to paragraph 2 of G. O. dated 21st November 1865, No. 2,849, I beg to state that 5,000 Rupees are available for the new Burghoor Ghát, of which Colonel Walker has made an excellent trace, now being widened for cart traffic, but with insufficient funds.

2. The employment of the available money has been sanctioned by Government, but the Forest Department has no establishment for road-making; and it seems advisable that we should at once transfer the fund to the Public Works Department, when the work would be carried out under Colonel Walker's orders. I have conferred with him and Major Morgan, and we are all of opinion that this is the best arrangement.

No. 267. ORDER THEREON, 17th January 1866, No. 136.

Forests, No. 5.

Under recent orders of the Government of India, and the system of Accounts kept in the Public Works Department, the work must be done by that Department which supplies funds. Dr. Cleghorn will make arrangements accordingly, and Colonel Walker will no doubt render him the necessary assistance in procuring competent servants to carry on the work. They must be paid out of the 5,000 Rupees.
