*Proceedings of the Madras Government, Educational Department,  
17th January 1866.*

No. 43. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 12th January 1866, No. 78.

Referring to Order of Government, No. 313, of the 8th November last, I have the honor to submit a letter from the Inspector of Schools, 1st Division, No. 5, of the 3rd instant, together with a plan and estimate for the conversion of a portion of the old Barracks at Chicacole into a school-house, for the Government Anglo-Vernacular school at that station.

2. It will be seen that the conversion of the barracks will cost only Rupees 3090, allowing Rupees 200 for the value of the old materials, while the cost of the former project was estimated at Rupees 4064; also the Inspector appears decidedly in favor of carrying out the present plan.

3. In these circumstances, I recommend that sanction be given for the conversion of a portion of the old Barracks into a school-house, at the cost of Rupees 3290, the proceeds of the sale of the old materials being carried to the credit of the Educational Building Fund.

4. As the Engineer suggests that a speedy commencement should be made, in order to take advantage of the favorable season, I beg that early orders may be passed upon the subject.

No. 44. ORDER THEREON, 17th January 1866, No. 23.

The Governor in Council sanctions the conversion of the old Barracks at Chicacole into a school-house, for the Anglo-Vernacular School, at an estimated cost of Rupees (3290) three thousand two hundred and ninety. The proceeds of the sale of old materials, and of the present school-house, will be carried to the credit of the Educational Building Fund.
