Proceedings of the Madras Government, Public Works Department, 25th January 1866.

No. 607. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 12th January 1866, No. 3,578:—

1. I have the honor to submit, for the sanction of Government, an estimate amounting to Rupees 990, for renewing and painting the doors and windows, and pointing the floor of the Canteen in the Cantonment of Poonamllee, No. 2 Range, Madras District.

1 Abstract Estimate.

2. The building was last repaired in 1864 and 1865 at a cost of Rs. 1,542-6-5, and the present estimate has received the approval of the Officer Commanding Centre Division; but as it is, in respect to amount, in excess of one-fourth the value, viz., Rupees 3,291, of the building, the sanction of Government becomes necessary under the Rules.

3. The cost of the proposed repairs can be met from the grant, Rupees 17,000, for Military repairs in No. 2 Range, Madras District.

4. The Executive Officer who framed the original estimate is much to blame for not having included all essentials in that estimate, as the work now to be done was as necessary then as now.

No. 608. ORDER THEREON, 25th January 1866, No. 292.

MILITARY WORKS, No. 25.

The Government sanction the estimate of Rupees 990, which is submitted with the foregoing letter, for renewing and painting the doors and windows, and repairing the floor of the Cantonment Canteen at Poonamallee in the Madras District, the cost being met from the source pointed out by the Superintending Engineer of the 4th Division.
