Do. do. North-West Line	153	10	3
Total...	4,141	4	4

1. The accounts for the expenditure specified have been examined, and found to be correct.

2. In the contingent account of the Traffic Department is included the sum of Rupees 806-15-5, sanctioned in G. O. of the 4th November 1865, No. 3,328.

3. There is also included a sum of Rupees 176, for which the Traffic Manager affords the following explanation :—

"The wages of four Pointsmen employed at the Bangalore Station and the Poodoor siding for the months of August, September, October, November, and December 1864, and January 1865, were charged to Locomotive Department, pending the settlement of the question whether the men should be paid by the Traffic or Locomotive Department.
