Proceedings of the Madras Government, Public Works Department,
25th January 1866.

No. 653. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 10th January 1866, No. 12 :—

Read the following letter from the Collector of Salem, to the Consulting Engineer for Railways, dated Salem, 6th January 1866, No. 1.

With reference to the Board's Standing Circular, dated 21st September and 12th October 1865, Nos. LXII. (5,897) and LXVII. (6,447), I have the honor to forward a bill for Rupees 801-10-6, with two statements, showing the lands taken up for Railway purposes in April 1864 and May 1865, and for which compensation has already been paid, and to request you will be good enough to obtain the sanction of Government for adjusting the amount in my accounts. The receipts from the parties to whom compensation was paid are herewith sent.

1. The lands alluded to in the Collector's letter were made over to the Madras Railway Company, under the following classes :—

	RS.	A.	P.
Class A. Acres 7-6-9	496	2	0
Class C. Acres 11-36-2	305	8	6
	801	10	6

eight hundred and one, Annas ten, and Pice six.

2. As the land for Class A. was taken and paid for in April 1864, the sum of Rupees 496-2-0 may be adjusted in the accounts of 1864-65, an allowance of Rupees 5,000 having been made in the Budget for that year on account of land in the District of Salem.

3. In the Budget for 1865-66 an allowance of Rupees 3,000 has been made.

4. The total sum of Rupees 801-10-6, above specified, having been already disbursed, I would recommend sanction being given for its adjustment in the accounts.
