MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General, Fort Saint George, 16th January 1866, No. 626; to the Secretary to Government, Military Department.

In reply to paragraph 3 of Proceedings of Government, No. 84, dated 8th instant, I have the honor, by order of His Excellency the Commander-in-Chief, to state that, as it will be well that there should be spare copies of the maps and plans referred to, no less than six copies would be required by this office: one for the Division, one for the Cantonment, one for office use at Head Quarters, and three spare. The total number, including those required by the Government (four) and by the Secretary of State (six) is sixteen.

2. That number of Atlas sheets will, therefore, be indented for.

3. The opportunity will be taken to have all existing plans of Cantonments revised to date; and Officers Commanding have been called upon to do so accordingly.

ORDER, No. 272, 22nd January 1866.

Communicated to the Public Works Department, with intimation that sixteen copies each of the plans referred to in paragraph 2 of Proceedings of Government, No. 84, dated 8th January 1866, will be required by this Department.
