No. 674. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp, Doogarazpatam, 5th January 1866, No. 131 :—

1. I have the honor to forward for sanction a revised Statement of sums remaining unexpended out of the Income Tax grants up to 30th April 1865, in lieu of the one sanctioned in G. O. No. 2,229, dated 3rd August 1865, as by the Controller's Statement a larger balance is available than at first known.

2. The sums of Rupees 715 and 58 for drainages were expended after the cyclone, and before the receipt of G. O. No. 1,502 of 2nd June 1865, stating that no funds were available for the work.

3. The sum of Rupees 490 was expended upon the Juggiapett road, under the supposition that it would be given from the Income Tax Budget of the current year, and under the Order of 1st December 1863, No. 3,523.

4. The sums proposed for works in Nellore District are much needed in addition to the sums already allotted from the Imperial funds; first, to pay for gravel carted before the work was stopped, and to complete the worst portions of Dornal Road; and second, to proceed vigorously with the construction of Pydaroo bridge during the current year.
