SIR,

I have the honor to return the copy of Letter from the Superintending Engineer, 1st Division, with its enclosures, referred for report under your docket of the 22nd December 1865, and to observe, that in the Military Department, Rice Money is payable to Native Dressers when the Bazar price exceeds one Rupee for 12, or, if in receipt of Batta, 2/3 Madras Measures; and, although not exactly in the same position as regards the nature of the service rendered, it appears reasonable that Dressers employed in the Civil Department should enjoy the like privilege, if not in receipt of any allowance in addition to their pay.

Dated 9th December 1865, No 207.

Dressers.

2. Dressers in the Civil Department are not, however, under regulation, entitled to Commutation for clearness of price, and the propriety of extending to them the rules above quoted is a question which rather pertains to the Civil Department which is more intimately acquainted with the calls made upon these men, and which would have to meet the charge if sanctioned by Government.

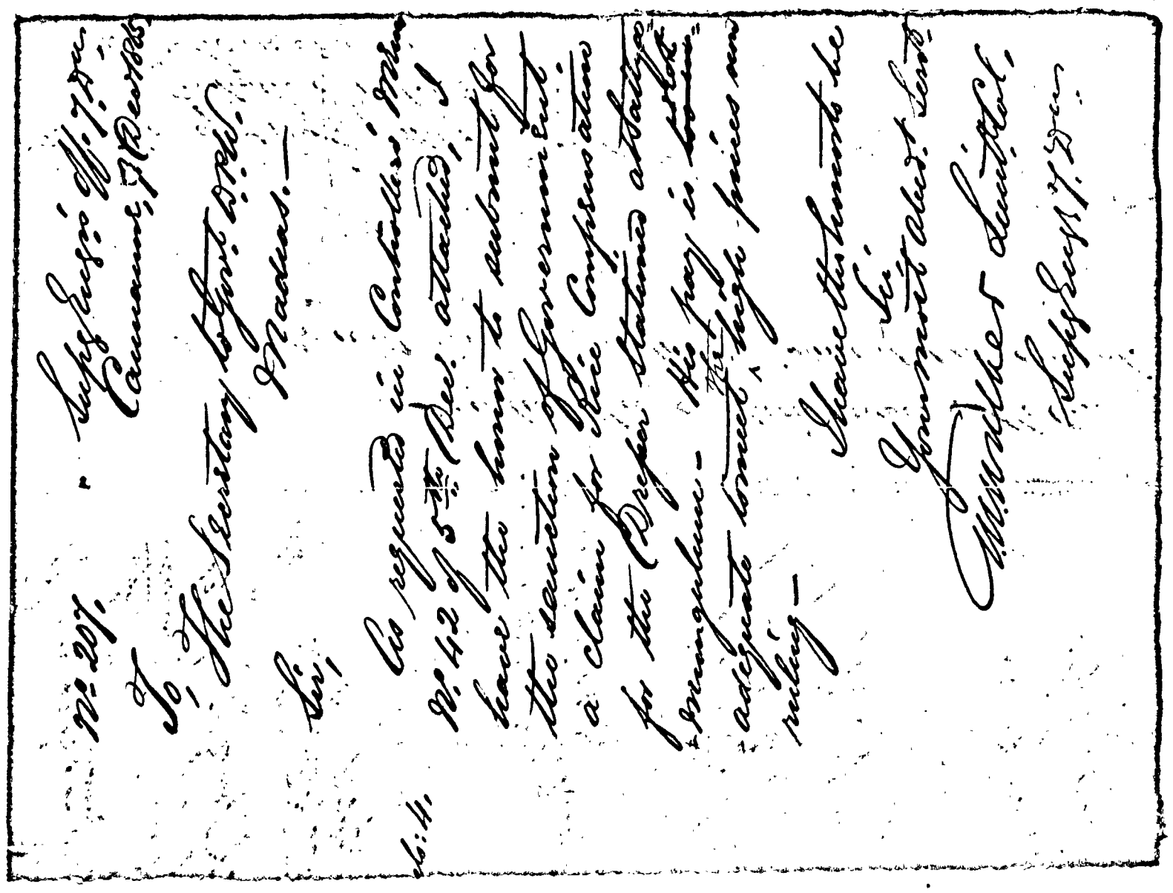

I have the honor to be,

Sir,

Your Obedient Servant,

Thos Sloan Colonel
