PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Officiating Superintending Engineer, 1st Division, Waltair, 15th December 1865, No. 2105; to the Secretary to Government, Department Public Works, Madras.

With reference to G. O., No. 1006 of 9th April 1864, I have the honor to report that it appears by the accompanying copy of a letter,* from the Quarter Master General of the Army, to the Inspector General of Ordnance, that the transfer of the Arsenal from Vizagapatam to Waltair is now considered unnecessary. I have therefore the honor to request permission to remove the abovementioned Order from the list of unanswered references.

Enclosure 1.

* *No.* 11,202 *of* 10*th December* 1864.

From the Quarter Master General, Head Quarters, Secunderabad, 10th December 1864, No. 11,202, D; to the Inspector General of Ordnance and Magazines, Fort Saint George.

In reply to your letter dated 12th November to the address of the Adjutant General, I have the honor, by order of His Excellency the Commander-in-Chief, to inform you, that the idea of removing the Arsenal from Vizagapatam to Waltair originated with Sir Patrick Grant, K. C. B. *Vide* his Minutes printed with Proceedings of Government, No. 2387, 5th July 1859, and there is no other information in this office concerning it.

2. His Excellency the Commander-in-Chief desires me to say, that as the proposal accompanied the recommendation that a larger Force should be sanctioned at Waltair, and as the latter has been negatived, the transfer of the Arsenal is unnecessary. All he would suggest is, that all superfluities be withdrawn from it, and that it be made to hold only Stores and Ammunition for the Force in the Northern Division, after the removal of the Sappers and the Battery of Artillery.

Referred to the Military Department.

FORT SAINT GEORGE,
4th January 1866.

(Signed) C. A. ORR, Colonel, R. E.,
