Proceedings of the Madras Government, Public Works Department,
30th January 1866.

No. 747. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Poddatoor, 18th January 1866, No. 196 :—

In reply to G. O. No. 99 of the 9th instant, I have the honor to inform you that I am unable, as far as I can see at present, to provide the amount by transfer from the allotments for repairs under other heads, as I expect the full amount allotted for repairs, and more if procurable, can be expended ; in the Kurnool District nearly the whole allotment for repairs has been appropriated.

No. 748. Order thereon, 30th January 1866, No. 356.

ACCOUNT, No. 60.

The Government have no doubt that the Superintending Engineer will be able to provide the sum of Rs. 920, which is required for the repair of Police buildings in Kurnool, by transfers from the *Repair* allotments from the Bellary or Cuddapah Districts.
