Proceedings of the Madras Government. Public Works Department, 31*st January* 1866.

No. 776. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 19th January 1866, No. 3,688 :—

1 Abstract Estimate.

The item Rupees 7,680 for re-metalling the road between Vellore and the Railway station at Cautpaudy in the North Arcot District (a distance of about four miles) was entered in the Budget of 1865-66 in accordance with the permission given in G. O. No. 20, dated 6th January 1865, but it was omitted by the Government in sanctioning the Budget for that year. The demand for the work is however very urgent, and I have now the honor to re-submit the estimate which I have had reduced to Rupees 6,100, and have the honor to request the Government will be pleased to grant that sum as soon as possible out of any sources at their disposal, as I am unable at present to name any savings out of which the amount can be supplied.

No. 777. ORDER THEREON, 31st January 1866, No. 370.

ACCOUNT, No. 66.

The Government regret that they are unable to grant any funds to admit of the re-metalling of the road between Vellore and the Railway station at Cautpaudy in the North Arcot District being undertaken during the current official year.
