Proceedings of the Madras Government, Public Works Department,
31st January 1866.

No. 778. Read the following letter from W. FRASER, Esq., C. E., Special Executive Engineer, to the Secretary to Government, Public Works Department, dated Madras, 17th January 1866, No. 46 :—

1. I have the honor to acknowledge the receipt, this morning, of the Proceedings of Government No. 170, dated the 15th instant.

2. In anticipation of sanction I retained the services of one Surveyor until the 15th instant as he is a good Draughtsman, and I wanted the extra aid until that date; I trust that Government will sanction that expenditure, which was 40 Rupees.

3. I kept on, also, one Draughtsman, and I have to request that Government will be good enough to permit me to retain his services for the present. I will not keep him a day longer than I absolutely require him. His pay will be 40 Rupees a month.

4. I will bring up the subject of field work again when I submit the Red Hill and other plans, which I expect to be able to do about the end of this month.
