No. 780. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 19th January 1866, No. 34:—

Read the following letter from the Agent and Manager Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 18th January 1866, No. 34.

1. In submitting the enclosed application for an expression of the views of Government, with regard to the promotion of Messrs. Jones, Mackenzie, Scott, and Boulton, from the 4th to the 3rd class of Assistant Engineers, I have the honor to state, that when the creation of the position of 4th class Engineer, was suggested by Mr. Smart in his letter of the 3rd September 1863, No. 525, the substance of which was embodied in my communication of the 4th September, No. 621, it was proposed that after two years' service, 4th class Engineers should, if recommended, be eligible for promotion.

2. As these gentlemen are all highly spoken of by Mr. Smart, I trust that His Excellency the Governor in Council will approve their promotion, from the dates mentioned in the enclosed form.

MADRAS RAILWAY.

Application from the Agent and Manager requesting an expression of the views of Government as to the promotion of the following Officers:—

Department.	Name.	Office.	Present salary.	Date of entertainment in the Company's service.	Office and salary proposed.	Grounds on which the proposal is made.	Remarks by the Consulting Engineer for Railways.
Engineering.	T. M. Rymer Jones.	4th class Assistant Engineer.	£ 300 per annum.	4th Jan. 1864.	3rd class Assistant Engineer, £ 450 per annum, from the 4th January 1866.	Mr. Jones has been two years in the service, and distinguished himself by very great assiduity in the performance of his duties.	
Do.	Alistair Mackenzie.	Do.	Do.	20th Jan. 1864.	3rd class Assistant Engineer, £ 450 per annum, from the 20th January 1866.	Mr. Mackenzie has been two years on the Engineering staff, and rendered good service.	
Do.	Peter Scott.	Do.	Do.	20th Feb. 1864.	3rd class Assistant Engineer, £ 450 per annum, from the 20th February 1866.	Mr. Scott in the ensuing month will have been two years on the Engineering staff. He has performed his duties most satisfactorily.	
Do.	William Boulton.	Do.	Do.	4th May 1864.	3rd class Assistant Engineer, £ 450 per annum, from the 20th February 1866.	Mr. Boulton will have completed two years' service on the 4th May. He is however recommended for promotion on the same date as Mr. Scott, in consideration of the very satisfactory way in which he (Mr. Boulton) acted as Resident Engineer of the 2nd Division during the absence of Mr. Roberts on leave in England, and in recognition of the energy he displayed in repairing the breaches on the North-West Line in December last.
