No. 804. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 19th January 1866, No. 33 :—

Read the following letter from the Agent Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 16th January 1866, No. 1,926.

1. Upon the receipt of your letter No. 146 of the 4th April last, and after communication thereon with the Chief Engineer, I addressed my Directors with regard to fixing a sum to be allowed to officers and workmen to cover incidental expenses incurred by them upon their passage between England and Negapatam.

2. The Secretary now informs me (letter No. 76, 11th ultimo) "the Board "has resolved that the fixed sum of Rupees 150 for officers, and Rupees 75 for "workmen as suggested by you, should be allowed for expenses during the "passage between England and Negapatam, but that beyond this amount no "allowance shall be made for any charges incurred."

3. Will you please obtain sanction of Government to this arrangement.

4. Mr. Dibblee's account amounted to *Rupees* 373-10-0, but I think the Company should not be called upon to pay more than the proposed fixed allowance of *Rupees* 150.

From the Consulting Engineer for Railways, to the Agent and Traffic Manager, Great Southern of India Railway, dated Madras, 14th April 1865, No. 146.

1. I have the honor to return the accompanying Bill for Rupees 373-10-0, which was attached to Form A., District No. 4, Erode Extension, for the month of February last, and I to inform you that charges of the nature specified in the Bill cannot be passed without the sanction of Government.

2. I cannot recommend for sanction the charges for "Telegrams and Postages (at Galle and Madras) Rupees 12," "Carriage hire at Madras Rupees 15," " and expenses at Madras Hotel Rupees 73.

3. The particulars of the sums of Rupees 30 and 47 for "Boat hire, &c.," and "charges on horse and luggage" should be given; and these as well as the other charges should be entered in Form B., General Superintendence.

4. The batta for one day on Railway should be drawn in Form A. of District No. 4.

---

1. I forward, together with this letter, copy of the one addressed to the Agent in April 1865.

2. Expenses of the nature referred to, incurred by the Agent, were passed in G. O. of the 16th October 1861, No. 719; and as the Railway Board of Directors in England have approved of the allowances to be granted to officers and workmen, I would recommend that they be sanctioned by Government.
