Proceedings of the Madras Government, Public Works Department;
***1st February* 1866.**

No. 15. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp, Chunchulur, 24th January 1866, No. 138 :—

1. In obedience to G. O., No. 196, dated 17th instant, I have the honor to report that, on receiving Proceedings, No. 2,141, dated 25th July 1865, concerning the Civil Dispensary at Masulipatam, I forwarded the same to Mr. Thornhill, President of the Cyclone Relief Committee, and the Committee granted Rupees 1,300* for the repair of the building, which they placed at the disposal of the Medical Officer in charge, who, after some time, considered it best to ask this Department to execute the work, and the balance Rupees 1,043 were consequently handed over to the Engineer Officer.

* Of which Rupees 257 were spent by the Civil Surgeon, on emergency, immediately after the cyclone.

2. Of this amount, Rupees 481 were spent up to the end of December, and the repairs are still in progress. The work already executed consists of plastering to the main building, detached bungalow, and cook-room; the repairs of the main building and cook-room; white-washing detached bungalow; and repairing venetian doors and windows.

3. A supplemental estimate of Rupees 411, for plastering floor and walls of the several buildings, and for repairing doors and windows, was submitted to me in December by the Executive Officer, which, having been approved, was forwarded also to the Relief Committee, who, I understand, have placed the amount at the disposal of the Executive Officer.

On the 8th January 1866.

No. 16. ORDER THEREON, 1st February 1866, No. 394.

CIVIL WORKS, No. 2.

1. Communicated to the Principal Inspector General of the Medical Department.

2. Colonel Winscom will issue orders for pushing on the repairs to the Civil Dispensary at Masulipatam with the utmost vigour.
