Proceedings of the Madras Government, Public Works Department.

Relative to the buildings required for the accommodation of the 16th Lancers &c., on the race course at Bangalore. } Here enter 5th January 1866, No. 36.

From the Quarter Master General, Fort Saint George, 5th January 1866, No. 158 ; to the Secretary to Government, Military Department.

With reference to my letter dated 4th ultimo No. 11,480, I have the honor, by order of His Excellency the Commander-in-Chief, to say that it has been found that the removal of the 16th Lancers into the race course barracks, and of the 10th Foot into the old Dragoon barracks, both being as yet incomplete, will entail the erection of so many temporary buildings, that the Commander-in-Chief has ordered the old disposition of the troops to be reverted to. The time has not yet arrived, when the new arrangement can be carried out:

O. G. No. 4654, dated 13th December 1865.

2. And, with reference to Proceedings of Government No. 4061, dated 31st October last, the Commander-in-Chief thinks that, as the present Infantry barracks are eventually to accommodate other Departments than that of the Commissary General, a Committee should be appointed—Major General Haines being President—to consider and report how these wants should be met. Nothing has as yet been done, but the placing of a new bakery in the barrack square ; but in order to ensure symmetry and convenience of arrangement, it is desirable that no one department should have space allotted to it, perhaps to the eventual detriment of another. A plan being once determined how the whole should be allotted, it should be adhered to whenever the time may arrive for carrying it out.

ORDER, No. 314, 24th January 1866.

Ordered that the foregoing letter from the Quarter Master General, be communicated to the Department Public Works, with reference to Proceedings in that Department, No. 36, dated 5th January 1866, above recorded ; it will be observed that the temporary buildings for the barracks on the race course will not now be required.

2. The Governor in Council has no objection to the measure proposed in paragraph 2 of the Quarter Master General's letter, provided no interruption of the work in progress for the bakery at Bangalore be caused thereby.
