2. The masonry and earth works on this line were constructed in the years 1854 and 1855, but it has never been metalled, with the exception of small portions near Pallaconda and Parvatipur, which have been done out of the maintenance grant.

3. It is now proposed to give the remaining nineteen (19) miles, which have never yet been metalled, a coating of six inches of gravel in a width of six yards.

4. The estimate has been approved of by the Collector, and in anticipation of the sanction of Government, I have entered it in the Budget list for 1866-67.

No. 9. ORDER THEREON, 3rd January 1866, No. 3.

CIVIL WORKS, No. 3.

The Government approve of the estimate of Rupees 19,405, submitted with the foregoing letter, for metalling the road from Pallaconda to Parvatipur in the Vizagapatam District, and sanction the entry of the work in the outgoing Budget for 1866-67.
