Proceedings of the Madras Government, Public Works Department,
1st February 1866.

Read the following letters:—

No. 36. From the Under Secretary to Government, Public Works Department, in charge of Public Works Stores and Workshop, to the Secretary to Government, Public Works Department, dated Chepauk, 18th January 1866, No. 1,230.

1 Copy of the Annual Indent.

1. I have the honor to forward, for submission to the Government of India, copy of the Annual Indent on the Home Government for Public Works Stores for the year 1866-67.

G. O., 26th July 1865, No. 2,157.

2. In his Despatch dated 16th of June 1865, No. 141, the Right Honorable the Secretary of State for India has intimated that the articles in column 3, head "Due on former Indents," are under provision.

3. The requirements for the year 1866-67 show a demand larger than previous years in the item of iron, 340½ tons of which are indented for, exclusive of 50 tons of pig iron for foundry purposes.

4. The establishment of the Workshop in connection with the Public Works Stores renders it desirable that a stock of iron should be on hand to meet its requirements, and also the wants of the Department generally. Hitherto supplies of all descriptions, when not available in the Public Works Stores, have been obtained from the Grand Arsenal; but as the Ordnance Department having reduced its stock of stores to the limit of its own requirements, is unable to comply with requisitions from the Public Works Department, the necessity of having in store a stock of articles not readily procurable in the market is apparent.

5. The aggregate value of all articles entered in the Indent, with the exception of those under provision, is estimated at Rupees 80,000, calculated at the current market rates.

No. 37. From the Under Secretary to Government, Public Works Department, in charge of Public Works Stores and Workshop, to the Secretary to Government, Public Works Department, dated Chepauk, 22nd January 1866, No. 1,238.

1 Indent in duplicate.
2 Plans.

I have the honor to submit, for the information of Government, the annual Home Indent for Public Works Stores for the year 1866-67. The reasons for the large demand in the item of "Iron" are stated in my letter to Government No. 1,230, dated 18th instant.

No. 38. ORDER THEREON, 1st February 1866, No. 404.

ACCOUNT, No. 5.

Ordered that the Indent submitted with the foregoing letters be forwarded to the Secretary of State for India.
