MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General...Here enter 8th January 1866, No. 297.
Do. *do.* *do.* ... „ „ 16th „ „ „ 676.

Memorandum from the Quarter Master General, Fort Saint George, 8th January 1866, No. 297; to the Secretary to Government, Military Department.

Forwarded to Government for sanction.

From the Officer Commanding Mysore Division, Bangalore, 5th January 1866, No. 4; to the Quarter Master General, Fort Saint George.

I have the honor to request that you will be so good as to solicit His Excellency the Commander-in-Chief, to sanction the construction of some dams to control the force of the water which, after a heavy fall of rain, rushes down two ditches in the lines of the 22nd Native Infantry, and by gradually wearing away the banks now, threatens to undermine the foundations of several houses on either side.

The work appears to me of an urgent nature and would cost about Rupees 150.

Memorandum from the Quarter Master General, Fort Saint George, 16th January 1866, No. 676; to the Secretary to Government, Military Department.

Forwarded to Government.

The Commander-in-Chief thinks the reason given why the Sappers cannot be employed in the way proposed, is a good one.

From the Officer Commanding Mysore Division, Bangalore, 13th January 1866, No. 23; to the Quarter Master General, Fort Saint George.

I have the honor to return memorandum of 9th instant, from Secretary to Government, to your address, asking whether the Sappers could not undertake the work applied for in my letter, No. 4 of 5th instant, and in reply to state that I am very unwilling to take the Sappers, more than can be avoided, from the work of building their huts on which they are now busily engaged. If these lines should not be completed, there would be no means of hutting the Companies of Sappers coming in from Lackady in March.

The work moreover in the 22nd Lines consists chiefly of masonry.

ORDER, No. 347, 26th January 1866.

Communicated to the Department Public Works, in view to the necessary orders being issued, for the execution of the work in question.
