MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Adjutant General..... Here enter 21st December 1865, No. 3/113.
 „ Barrack Master..... „ 23rd „ „ „ 1347.

From the Adjutant General, Head Quarters, Fort Saint George, 21st December 1865, No. 3/113; to the Secretary to Government, Military Department.

I have the honor, by order of His Excellency the Commander-in-Chief, to bring to the notice of Government, that the room which had to be allotted to the Assistant Adjutant General, Royal Artillery, under the arrangements made by Order of Government, No. 1676, dated 21st May 1863,—transferring him from the present Military Fund Office to the block of building occupied by the Adjutant General's Department, is hot, confined and very dusty, and is not a suitable room for an officer to carry on his duties in.

2. I am directed, therefore, to suggest that the south end room in the upper story of the Adjutant General's Office, may be appropriated to the Assistant Adjutant General, Royal Artillery, and to allow of his having convenient communication with the portion of the building occupied by his clerks, and also to afford access to officers visiting his office, that a wooden stair-case may be constructed outside, leading up to this room.

3. To provide accommodation for the clerks of the Adjutant General's Office, who will thus be displaced, I am directed to suggest, that the open space now on the second floor may have a front and back wall constructed and be roofed in, and converted into a room which would conveniently accommodate these clerks.

4. An approximate estimate of the cost of carrying out the proposed arrangement has been furnished by the Executive Engineer, Fort range, and is herewith attached;* and as the room now occupied by the Assistant Adjutant General, Royal Artillery, is quite unfit for any officer as an office and also for clerks, and His Excellency trusts that the proposition now submitted, may meet with the favorable consideration of Government.

Referred to the Barrack Master, for early report.

22nd December 1865.

From the Barrack Master, Presidency, Fort Saint George, 23rd December 1865, No. 1347; to the Deputy Secretary to Government, Military Department.

With reference to the endorsement on the accompanying letter* from the Adjutant General, I have the honor to

state that, by the arrangements proposed, a more suitable office will be obtained for the Assistant Adjutant General, Royal Artillery, but the area to be enclosed will not be quite equal to that of the apartments given up by the Adjutant General; but it is said to be sufficient for the number of clerks to whom it will be allotted.

The objections made to Colonel Cadell's present office, are well founded, and have been frequently mentioned by former occupants, but owing to the fact that the building was occupied by different Departments, the complaints were obviously without remedy.
