Read the following letter from the Agent Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 21st October 1865, No. 1,847.

Rupees five thousand two hundred and eighteen, Annas nine, and Pice two.

1. The accounts received with this letter were examined some time ago, but their disposal was deferred, until the Agent had sent in estimates for the works, on which expenditure was incurred without the usual authority.

2. A schedule of the works has been now sent in. It has been forwarded to Major Prendergast, who is on a tour of inspection of the Great Southern of India Railway, and on his reporting on it, it will be submitted to Government.

3. Meanwhile, as there is no objection to the expenditure incurred being passed, I would recommend that the sum of Rupees (5,218-9-2) five thousand two hundred and eighteen, Annas nine, and Pice two, specified in the Agent's letter, be sanctioned.
