*Proceedings of the Madras Government, Public Works Department,
3rd February 1866.*

No. 91. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Nullagutta, 22nd January 1866, No. 199 :—

1. I have the honor to submit, for the sanction of Government, by transfer from the sum allotted in Part V. of the Budget for the Bellary District under

the head "New supplies," a bill for repairing the tent attached to the Raidroog Range Office.

G. O. No. 2,501 of 28th August 1865.

2. A sum of Rupees 45 was sanctioned for the repair of this tent in August last, but Mr. Colquhoun reports

that the damage, for the repairs of which this bill is submitted, was caused by the high winds in the end of November which ripped open the upper fly and forced some of the corner ropes to give way.

3. Mr. Colquhoun further reports that the tent is old and unfit for use in bad weather, and recommends its being sold : it was purchased in 1861.

No. 92. ORDER THEREON, 3rd February 1866, No. 420.

ACCOUNT, No. 8.

• Rupees 12-1-0.

1. The bill* is sanctioned; as also the transfer of funds from the head "New supplies" to that of "Repairs," which is proposed by the Superintending Engineer of the 3rd Division.

2. If Major Moberly is satisfied that the tent in use by the Raidroog Range Office is unserviceable, he is at liberty to authorize the Sub-Engineer in charge of the Range to dispose of it to the best advantage.

[Faint, illegible handwriting]

The image shows a document page that is severely degraded. The text is mostly illegible due to the high contrast and noise. There are several lines of text visible, but they are too blurry and noisy to transcribe accurately. A large, dark, circular artifact is present on the right side of the page, possibly a hole or a large stain. The overall appearance is that of a very poor quality scan of a document.
