No. 101. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 19th December 1865, No. 625 :—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 18th December 1865, No. 882.

In compliance with the suggestion contained in your letter of the 14th instant, No. 870, I have the honor to submit a revised estimate of the cost of nine houses proposed to be erected at Jollarapett, for the Native staff of the Traffic Department, provision having now been made for the construction of windows. Plan No. 454 is herewith returned.

1. It is proposed to construct a line of houses for the Native servants employed by the Railway Company at Jollarapett, where house accommodation is not obtainable.

2. Each house is to consist of two compartments measuring 8 feet by 8 feet each, with an open court between, of 10 feet by 11½ feet, and a verandah 30½ feet long by 4 feet wide.

3. The walls are to be of burnt brick in mud, and the roof of jungle-wood, covered with tiles.

4. The cost of each house is Rupees 200, and for nine houses Rupees (1,800) one thousand eight hundred.

5. I approve of the plan and estimate, and would recommend that they be sanctioned.
