Proceedings of the Madras Government, Public Works Department, 12th February 1866.

No. 293. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 1st February 1866, No. 2,974 :—

Read the following letter from the Officiating Accountant General, Public Works Department, Calcutta, to the Controller of Public Works Accounts, Madras, dated Fort William, 9th December 1865, No. 1,456.

1. In the Madras Appropriation Return for June 1865 the grant for Minor Works, Civil Buildings, is shown as having been increased by Rupees 500. I have the honor to request the favor of being furnished with the particulars as to the authority for this augmentation, and the head of service from which the corresponding reduction has been made.

2. I notice that of the Budget grant of Rupees 6,16,605 for Minor Works, the sum of Rupees 3,89,708 only has been left unappropriated at the end of June, giving an average of Rupees 38,970 available monthly for the next ten months. It is desirable that this rate of appropriation should be watched closely, and the Government of Madras made aware in time of the state of the grant so as to prevent it being exceeded.

From the Controller of Public Works Accounts, Madras, to the Officiating Accountant General, Public Works Department, Calcutta, dated Madras, 6th January 1866, No. 2,662.

1. With reference to your letter No. 1,456, dated 9th December 1865, I have the honor to forward herewith a copy of the Proceedings of this Government re-crediting to the Reserve under the head "Civil Buildings" the sum of Rupees 500, and which was accordingly entered in the Appropriation Return for June 1865.
