*Proceedings of the Madras Government, Judicial Department,
7th February 1866.*

No. 107. Read the following letter from the Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th January 1866, No. 6.

I am directed by the High Court to request sanction for the payment, from the 15th of September last, of an increased rent of Rupees (10) ten, for the Court house of the District Moonsiff of Vizianagram in the Vizagapatam Zillah.

2. The rent of the building occupied before that date was only Rupees 3. It is the same that was used by the Moonsiff, when under the Agency, when he had a very limited jurisdiction and a small establishment. The necessity of a new Court House was represented by the Civil Judge, and admitted by the High Court, in January 1864. Subsequently an estimate appears to have been submitted to Government and sanctioned, but the Civil Judge reports that it has been struck out of the Budget by the Supreme Government.

3. It appears to the Judges that the Civil Judge should not have hired the more expensive house in anticipation of sanction, but he was perhaps justified, in the circumstances mentioned above, in concluding that the insufficiency of the former building had been admitted.

No. 108. ORDER THEREON, 7th February 1866, No. 195.

Under the circumstances represented in the foregoing letter, the Governor in Council sanctions the payment of rent, from the 15th September last, at the increased rate of Rupees (10) ten per month, for the building occupied as the Court House of the District Moonsiff of Vizianagram.

2. Orders will be issued in the Public Works Department for the erection of the District Moonsiff's Court House at Vizianagram, as soon as funds may be available. The estimate for this building was sanctioned in that Department on the 31st May 1864.
