Proceedings of the Madras Government
Read the following letter,

No. 178.

From

E. B. POWELL, Esq.,

Director of Public Instruction.

To

THE CHIEF SECRETARY TO GOVERNMENT,

Sir,

Fort Saint George.

Referring to Order of Government, No. 143, of the 31st May 1865, I have the honor to state that, in consequence of the large outlay from the Educational Building Fund which will be made in other directions, there will be no money available in 1866-67, and possibly none in 1867-68, for the erection of a building for the Madrissa.

2. In these circumstances I request that Government will be pleased to allow the project of a building for the above institution to lie over for the present. I address you upon the subject as the Superintending Engineer, 4th Division, has called upon me to specify the accommodation required for the Madrissa; and it seems to me that the preparation of Estimates and Plans for the building would, at the present moment, only give unnecessary trouble to the Department Public Works.

Office of the Director of
Public Instruction,
MADRAS, 29th January 1866.

I have the honor to be
Sir,
Your most obedient servant.

E. B. Powell

Director of Public Instruction.

Order thereon 9th February 1866. No. 41

Ordered accordingly that the preparation of the plans and estimates called for on May 1865, for the erection of a building for the Madrassa-i-Aziz, be for the present postponed.
