*Proceedings of the Madras Government, Public Works Department,
8th January 1866.*

Read the following papers:—

No. 135. Proceedings of the Madras Government in the Marine Department,
dated 19th December 1865, No. 277.

Read the following papers.

From the Deputy Secretary to Government, Bombay, to the Secretary to the
Government of Madras, dated Bombay Castle, 12th December 1865,
No. 715.

1. Commodore Montresor having recommended that a quantity of coal should
be stored at Beypore for the use of Her Majesty's Ships calling there from Trinco-
malee *en route* to Bombay, arrangements have been made for the despatch of 200
tons of coal at once, and I am directed to inquire what arrangements the Govern-
ment of Madras would propose for the charge of the coal.

2. I beg to request that the reply to this may be communicated in a
telegram.

—

Referred to the Superintendent of Marine for early report, after communica-
ting, if necessary, with the Collector of Malabar.

FORT SAINT GEORGE,
18th December 1865.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

—

From the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George,
dated Madras, 18th December 1865, No. 4,253.

1. In returning the accompanying letter from the Bombay Government, intimating that 200
tons of coal would be sent to Beypore, and inquiring what arrangements could be made for taking
charge of it, I have the honor to inform you, that the Master Attendant at Calicut can be directed
to have it placed near the Flagstaff, and a cadjan shed built over it for protection. The signal-
man and lascars attached to the port of Beypore can be ordered to look after it.

2. As this Depôt is, however, likely to be permanent, I would advise that a puckah shed be
built for it close to the Marine Office, sanctioned
in Proceedings of Government, marginally noted,
which is now under construction.

Dated 11th November 1865, No. 237.

—

1. The Governor in Council directs that the Superintendent of Marine will
give instructions, as suggested in the foregoing letter, to the Master Attendant at
Calicut, and that the following telegram be despatched to the Secretary to Govern-
ment, Marine Department, Bombay:—

“The coal at Beypore can be placed under charge of the signal-man and
lascars attached to the Port. Orders have been given for the erection of a cadjan
shed for it near the Flagstaff. More by post.”

2. Orders will be issued in the Public Works Department for the preparation
of a plan and estimate for the erection of a permanent shed. The plan and esti-
mate should be prepared in communication with the Superintendent of Marine.

• (True Extract.)

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

*Proceedings of the Madras Government, Public Works Department,
8th January 1866.*

No. 136. Proceedings of the Madras Government in the Marine Department,
dated 22nd December 1865, No. 281.

Read the following Telegram from the Secretary to the Government of Bombay,
Marine Department, dated 21st December 1865.

"Please countermand order for erection of cadjan shed at Beypore for coal,
"as Commodore Montresor has since reported that it is not necessary to send
"coal from Bombay."

Communicated to the Public Works Department, and to the Superintendent
of Marine.

(True Extract.)

(Signed) A. J. ARBUTHNOT,

Chief Secretary.

No. 137. ORDER THEREON, 8th January 1866, No. 65.

CIVIL WORKS, No. 27.

Ordered to be recorded.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

Exd. S. T. Augustin.
