No. 16.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

ESTABLISHMENT, No. 2.

1. I am directed by His Excellency the Governor in Council to acknowledge the receipt of your letter,

No. 1,834 E, dated 28th November 1865, in which you request to be informed of the authority under which Officers of the Public Works Department, serving at the Presidency, draw conveyance allowance.

2. In reply I am to state that representations having been made that the duties of these Officers require them to maintain means of locomotion at the expensive prices which prevail at the Presidency, while they cannot claim travelling allowance under the Rules, the Government, on full consideration of the circumstances, authorized the disbursement to them of carriage allowance at the rate of Rupees 50 per mensem. This arrangement has been in operation since July 1863, and provision for the charge has been duly made in the Annual Budget Estimates.

3. It is to be remembered that the Officers in question do not draw the salaries of the next higher grades to their own when they are employed at this Presidency as they would do if they held similar appointments at Calcutta, and that if they do not receive extra remuneration in some shape they will be placed in a less advantageous position than their brethren who may be employed in the Provinces, or who may have the fortune to serve at Calcutta.

4. I am to add that the only other Executive Officers in the Madras Public Works Department who draw carriage allowance are the Executive and Assistant Engineers at Bangalore, whose cases are precisely similar to those of the Officers serving at the Presidency.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.
