*Proceedings of the Madras Government, Public Works Department,
8th January 1866.*

No. 162. Read the following letter from the Conservator of Forests, to the Secretary to Government, Public Works Department, dated Camp, Periakolum, 18th December 1865, No. 1,520 :—

1. Having just crossed the Western Ghâts from the Cochin back-water to the Cumbum Valley in Madura, in company with Mr. Clements Markham, by the route (via Peermôdo) which was described in Colonel (then Lieutenant) Horsley's "Memoir upon Travancore," and having ascertained that several of the peaks, two large streams, and one *tavalum* are known to the people by names not entered in the published map of the Great Trigonometrical Survey, sheet No. 62, I shall feel obliged by your furnishing me with a tracing with all the names and details given in the original map (large size) within the following limits :—

From 77° to 77° 30 E. Long.

From 9° 20 to 10° N. Lat.

2. Having noted the features of the country and the existing traffic I desire to be allowed to peruse any documents by Colonels Horsley or Ouchterlony, Captain Ryves, or other Officer, relating to this route or to the irrigation project at the head of the Perryaur, as the tract of country left blank in sheet No. 62 is reported to be well stocked with Teak and Blackwood.

No. 163. ORDER THEREON, 8th January 1866, No. 77.

CIVIL WORKS, No. 30.

1. Ordered that the tracing which is applied for in the foregoing letter be furnished to the Conservator of Forests.

2. The papers which Dr. Cleghorn requires in connection with the Perryaur project have been sent to his Office at Chepauk as requested.

To Colonel Charles Orr
Chief Engineer Madras.

Sir
Having just crossed the Western
Ghats from the Cochin backwater to
the Cumbam Valley in Madras, in
company with Mr Clement Markham,
by the route (via Permede) which
was described in Colonel (then Lieut)
Horsley's "Memoir upon Travancore",
and having ascertained that several
of the peaks, two large streams and
one tavalum are known to the people
by names not entered in the published
map of the Great Trigonometrical
Survey, sheet No 62, I shall feel obliged
by your furnishing me with a tracing
with all the names and details given
in the original map (large size) within
the following limits.

From 77° to $77^{\circ} 30'$ E. Long.

From $9^{\circ} 20'$ to 10° N. Lat.

2. Having noted the features of the country and the existing traffic I desire to be allowed to peruse any documents by Colonel Horeley or Cuckterlong, Capt Ryves, or other officer, relating to this route or to the irrigation project at the head of the Perryar, as the tract of country left blank in Sheet No 62 is reported to be well stocked with Teak and Blackwood.

I have the honor to be

Yours most ob^d servant
