Proceedings of the Madras Government, Public Works Department, 9th January 1866.

No. 174. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 11th December 1865, No. 2,406:—

1 Statement with an abstract thereof.

1. I have the honor herewith to submit the Statement showing the reduction to be made in each maintenance grant of the Districts of the Madras Presidency, called for in G. O. No. 2,422, dated 21st August 1865.

2. The amount shown in my Statement recorded with the above Order, as chargeable to maintenance grants on account of Petty Establishment in Bellary is Rupees 6,936, while that shown in the Statement now forwarded is Rupees 5,472. The difference, Rupees 1,464, is not explained by the Superintending Engineer. A reduction was probably made in compliance with the request contained in paragraph 5 of the G. O. under reference.

3. An excess of Rupees 227 occurs in the South Arcot District, which the Superintending Engineer explains is due to the inadequate provision made in the original Statement for Nos. 2 and 3 Ranges, which will result in an addition of a like sum to the total grant of that District.

4. A difference of Rupees 1,001 in the Coimbatore District is owing to certain maintenance grants being transferred to new works, and Rupees 30 in the Malabar District arises from that sum having been originally proposed to be deducted for the Sultan's Canal but now omitted.

* Maintenance grant.

5. The amount* for the Madura District has been increased from Rs. 5,106 to Rupees 5,556 on the requisition of the Superintending Engineer who stated that the establishment allowed by Captain Payne for No. 3 Range during his absence was insufficient, and submitted a revised estimate. A further sum of Rupees 100 has also been added on account of Petty Establishment on new works, in consequence of the receipt of G. O. No. 3,582, dated 27th November 1865, making the total allotment, including the increase in maintenance grants, Rupees 1,942 from Rupees 8,592.

6. By the above the allotment of the Bellary District will have to be reduced from Rupees 28,392 to Rupees 26,928, that of the South Arcot District increased from Rupees 5,196 to Rupees 5,423, and that of the Madura District from Rupees 8,592 to Rupees 9,142, thus making the aggregate allotment for the whole Presidency Rupees 1,79,615, from which the transfer to maintenance grants if deducted will leave Rupees 1,10,780.

Statement showing the reduction to be made from the Maintenance Grants of each of the undermentioned lines of roads on account of Petty Establishments in the year 1865-66, called for in G. O. No. 2,422, dated 21st August 1865.

No. 175. ORDER THEREON, 9th January 1866, No. 83.

ESTABLISHMENT, No. 16.

No. 2,422, dated 21st August 1865.

1. In the Orders marginally noted, the Government, while approving of an estimate amounting to Rupees 1,80,000 which had been submitted by the Controller of Public Works Accounts, of the probable cost of the Petty (extra) Establishments which it was proposed to charge during the current year to Establishments under Part IV. of the Budget instead of to Works, requested to be furnished with a detailed statement showing the proportion of the cost of these Establishments which could be met from the grants for maintenance of roads in each District. Captain Fischer's reply to this requisition is recorded at the head of these Proceedings.

2. From the papers submitted by the Controller, it appears that Rupees 68,835 can be transferred, and the Government sanction the arrangement, which will be duly reported to the Government of India.

3. The revised Statements of Maintenance Grants and Petty Establishments, which have been furnished by the Controller of Public Works Accounts, will be printed and circulated to the Superintending Engineers for information and guidance, and the entries in Part III.* of future Budgets will be regulated with reference to the reductions in the maintenance allowances and corresponding increase under the head of Establishments now sanctioned.

* For Repairs.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Controller of Public Works Accounts.
,, Superintending Engineers.

Exd. T. O'Connor.

Enclosure

Sir,

I have the honor herewith to submit the statement shewing the Reduction to be made in each maintenance grant of the Districts of the Madras Presidency called for in G.O. No 2422 dated 21st August 1865.-

2. The amount shewn in my Statement, recorded with the above order, as chargeable to maintenance grants on account of Petty Establishment in Bellary is Rupees 6936 while that shewn in the Statement now forwarded is Rupees 5472.- The difference Rupees 1464 is not explained by the Superintending Engineer.- A Reduction

P.W. Proceedings

Proceedings of the Hon'ble the Governor in Council

Statement shewing the Reduction to be made in the Maintenance Grants of each District of the Madras Presidency called for in the Government Order No 2422 dated 21st August 1865.

Districts	Amount of Maintenance Grants	Reduction to be made
Bellary	6936	1464

reduction was probably made in compliance with the request contained in para 5 of the G.O. under reference.

3. An excess of Rupees 227 occurs in the South Arcot District which the Superintending Engineer explains is due to the inadequate provision made in the original Statement for Nos 2 and 3 Ranges, which will result in an addition of a like sum to the total grant of that District.

4. A difference of Rupees 1001 in the Coimbatore District is owing to certain maintenance grants being transferred to new works and Rupees 30 in the Malabar District arises from that sum having been originally proposed to be deducted for the Suttan's Canal but now omitted.

5. The amount for the Madura District has been increased from Rupees 5,706 to Rupees 5,556 on the requisition of the Superintending Engineer who stated that the Establishment allowed by Capt. Payne for No. 3 Range during his absence was insufficient, and submitted a revised estimate. A further sum of Rupees 100 has also been added on account of Petty Establishment on new works in consequence of the receipt of G.O. No. 3582 dated 27th November 1865, making the total allotment, including the increase in maintenance grants, Rupees 1942 from Rupees 8592.-

6 By the above the allotment of the Bellary District will have to be reduced from Rupees 28,392 to Rupees 26,928, that of the South Arcot District increased from Rupees 5,196 to Rupees 5423 and that of the Madura District from Rupees 8592 to Rupees 9142 thus making the

Proceedings of the Madras Government

January 1866

Under date the 9th December 1865

Read the following

From the Controller of P.W. Accounts.

Submitting the Statement
shewing the reductions to be
made in the maintenance
grants of the Districts of the
Madras Presidency.

Received 11th December 1865
No 2465

No 2422 of 13th Dec 1865

In the orders marginally noted, the Government, while approving of an estimate amounting to Rupees 1,80,000 which had been submitted by the Controller of P.W. Accounts, of the probable cost of the Petty (Extra) establishments which it was proposed to charge during the current year to establishments under Part IV of the Budget instead of to Works, requested to be furnished with a detailed statement showing the proportion of the cost of these establishments which could be met from the grants for maintenance of Roads in each District - Captain Fischer

Fischer's reply to this requisition is recorded at the head of these proceedings—

From the papers submitted by the Controller, it appears that Rs. 68.8.35 can be transferred, and the Government sanction the arrangement, which will be duly reported to the Government of India

The revised statements of Maintenance grants and Petty Establishments, which have been furnished by the controller of Public Works Accounts, will be printed and circulated to the Supt. Engineers for information and guidance, and the entries in Part III of future Budgets will be regulated with reference to the reductions in the maintenance allowances and increase under the head of Establishments now sanctioned—
