1. In the Orders as per margin the
Government desired to be furnished with
information as to the amount of compen-
sation which was payable for the land
authorized to be transferred to the Indian

Tramway Company for the Stations at Arconum and Little Conjeveram.

2. With their Proceedings of the 3rd August 1865, No. 4,607, the Board of
Revenue communicated a report from the Collector of Madras, from which it
appeared that the compensation which was due for the extent of land transferred to
the Company at Little Conjeveram was Rupees 3,887-3-0. This amount was stated to
include the value of a building which it was necessary to remove in order to form
the entrance to the Company's Station ground; but it was pointed out in the Pro-
ceedings of Government of the 24th August 1865, No. 2,475, that no money
compensation was payable for the building as in a prior Order of 7th April 1865,
No. 958, it was made over to the Company on the condition that another building
should be constructed at the Company's cost on an eligible site adjoining the

Railway Station. If therefore the value*
of the building under notice be deduct-
ed from the amount of compensation†
as stated by the Collector, the sum

payable for land transferred to the Company at Little Conjeveram will be
Rupees 1,830-15-6.

3. In the paper recorded at the head of these Proceedings, the Board submit
the report of the Collector of North Arcot on the claims to compensation for land
which was made over to the Company for the Station at Arconum, and for the line
between Arconum and Conjeveram. From this report it appears that no payment
will be necessary on the former account, but that Rupees 306-12-2 will have to be
awarded as compensation for land taken up for the Tramway in the Wallajah Taluq.

of the 4th Division will be requested to
arrange for the disbursement of these
charges for compensation in anticipa-

tion of a specific assignment of money later in the year.

Proceedings of the Madras Government, Public Works Department

PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th November 1865.

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 12th October 1865, No. 199:—

1. With reference to the Board's Proceedings, dated 3rd August last, No. 4,607, enclosing copy of Government Order, No. 189, of the 1st February 1865, and requesting me to state what amount of compensation will have to be paid for the land authorized to be transferred to the Tramway Company, for the station at Arcunum and that between Arcunum and Conjeveram, I have the honor to report that no compensation need be paid for the land measuring 18-50 acres, appropriated for the purposes of a station at Arcunum.

2. The Madras Railway Company have made over to the Tramway Company 10-61 acres (not 11-88 as mentioned in Government Order, No. 678, of the 22nd October 1864,) which have been appropriated for the purposes of a station *minus* 1-11 acre absorbed in the permanent line. To the space thus appropriated for a station has been added the plot of Government assessed waste, measuring 9 acres, alluded to in the above quoted Government Order.

3. There being thus nothing to pay under this item, it remains for me to show what amount of compensation is due on account of lands taken up for the Tramway line, exclusive of the local road between Arcunum and Conjeveram, the compensation claims, in connection with which, are still under inquiry, and will be shortly submitted for sanction.

4. Of the ten villages through which the line passes, eight are Government villages, one is Shrotriem, and one Muttah. The total extent taken up for the line is K. 17-4-4, of which K. 5-7-4 are unassessed waste land, and the remaining K. 11-13-0 lands, bearing an aggregate assessment of Rupees 37-4-10.

5. In the accompanying Registers are shown the items of compensation awarded, and the abatements recommended to be made in the Jodghi now paid by the Shrotriemdar and Muttahdar respectively.

6. Thus, in the eight Government villages the extent of land taken up for the line is K. 14-3-10, assessed at Rupees 28-5-7. The compensation awarded for occupied lands is Rupees 265-8-2. In the Shrotriem village an area of K. 0-5-8, assessed at Rupees 4-6-7, was appropriated, for which the cultivators, or occupants, claim Rupees 41-4-0 as compensation. In the Muttah village, on the other hand, the Muttahdars claim the Rupees 49-2-6 on account of the land taken up, viz., K. 2-11-2, assessed at Rupees 4-10-4, on the ground that the occupancy rights vest in themselves and not in the ryots. This claim should not be admitted, and all they would be entitled to is the permanent abatement in the Jodghi, which I propose a little further on.

7. The total amount of compensation thus awarded to the parties concerned is Rupees 306-12-2. I enclose, for sanction, a Tabular Statement in the prescribed form, showing the particulars of the lands which it is proposed to substitute for those lost by village officers and enfranchised Inamdars in these eight Government villages.

8. In the case of the village service Inam lands in the Shrotriem and Muttah villages, arrangements have been made by the Shrotriemdar and Muttahdar, respectively, to provide equivalent plots to the parties concerned. The compensation on a parcel of Nunjah land measuring K. 0-2-0, assessed at Rupees 1-7-1, being Karnum Inam in the Shrotriem has been fixed at Rupees 15. This the Shrotriemdar has promised to pay to one Nyvathe Mudali, who has already made over to the Karnum an equivalent in land. I have, therefore, added this item to the amount of compensation shown in the Register. In the case of a Toti Inam land, in the Muttah village, no compensation has been awarded, the Muttahdar having allotted an equivalent piece out of some unoccupied ground.

9. In accordance with these arrangements, I beg to recommend that abatements be made in the fixed Jodghi, payable to Government by the above-named Shrotriemdar and Muttahdar, in the following proportions:—

Shrotriem village Yelupatandalam Rupees 4-6-7, Muttah village Arigalavady Rupees 4-10-4.

10. The fixed Jodghi now payable, by the Shrotriem village of Yelupatandalam, is Rupees

Rupees 306-12-2 for Kanis 17-4-4 of land taken up in the Wallajah Taluk by the Indian Tramway Company, as particularized in the margin, be sanctioned, and that the Collector be further authorized to make an abatement of Rupees 9-0-11 in the Jodigi payable on the Shrotriem village of Yelupatandalam, and the Muttah village of Aregalavady, in the proportion of Rupees 4-6-7 in the Jodigi payable on the

former, and Rupees 4-10-4 in that payable on the latter village.

3. In addition to the abatement of Rupees 4-10-4 in the rent, the Muttahdars of Aregalady claim Rupees 49-2-6 as the value of the occupancy rights vested in them in the Kanis 2-11-2 of land, on account of which the abatement is proposed; but the Collector does not recommend any compensation under this head. The Board observe, that if the Muttahdars were also the cultivators of this land, they are entitled to some compensation for their right of occupancy. The Collector will therefore be instructed to report further on this point.

4. Kanis 0-11-4 of Inam lands, assessed at Rupees 2-0-1, belonging to certain village officers and artisans, have also been appropriated. The Collector proposes to grant in lieu Kanis 0-14-12 of fresh land, bearing the same assessment as that taken up by the Company. The Board request the sanction of Government to the Collector's proposal.

5. The Government Order, dated 29th October 1864, No. 678, to which Mr. Robinson refers in paragraph 2 of his letter, does not appear to have been communicated to the Board.

report from the Collector
of Madras from which it
appeared that the Compensation
which was due for the extent
of land transferred to the
Company at Little Conjeeveram
was Rs 3887-3. But this
amount was stated to include
the value of a building
which it was necessary to
remove in order to form
the entrance to the Company's
Station ground, but it was
~~mentioned~~ pointed out in the
Proc. of Govt of the 24. Aug.
1885, No 2475, that no money
compensation was payable
for the building as in
a prior order of 7 April
1885, No 908, it was made
