Proceedings of the Madras Government, Public Works Department, 9th January 1866.

No. 205. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Pullampett, 3rd January 1866, No. 187 :—

1. In 1864-65 an estimate of Rupees 1,000 was approved of by the Inspector General of Police for repairing the Police huts at Pattikonda in the Pattikonda Táluq, Kurnool District, and expenditure was incurred to the amount of Rupees 80.

2. In the current year there has been no expenditure, and as the amount allotted in the Budget for repairs of Police Stations is required elsewhere, I have the honor to request sanction for the transfer of Rupees 920 from the sum allotted in the Budget for New Works under the head of "Police" for carrying out these repairs: the Inspector General of Police states that he has no objection to the transfer.

Rupees 250.

3. I beg that I may be allowed to carry on the repairs in anticipation of the sanction of the Government of India.

No. 206. ORDER THEREON, 9th January 1866, No. 99.

ACCOUNT, No. 18.

As the additional sum which the Superintending Engineer of the 3rd Division requires for the *repair* of Police buildings in the Kurnool District is very limited, the Government are unwilling to apply for the sanction of the Government of India to the transfer of funds which is recommended in this letter. Major Moberly will make arrangements for providing the amount by transfer from the allotments for *repairs* under other heads, submitting his proposals, if necessary, for the sanction of Government.
