No. 20. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 15th December 1866, No. 3,712 :—

1 Estimate.

1. I have the honor to submit, for sanction, an estimate of Rupees 2,960 for putting up Teakwood shelves in the walls of the three Record-rooms of the lower story of the Revenue Board Office at Chepauk, in view to economizing space in consequence of the arrival of the Inám Commissioner with his large establishment and with records, not much less voluminous than the Board's, and to state that the Secretary to the Board of Revenue has approved of the estimate, and informs me that the work is absolutely necessary, and that the present arrangements are positively detrimental to health.

2. I therefore recommend that funds may be granted from any source at the disposal of Government, and that authority may be given for the immediate commencement of the work.

Referred to the Revenue Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
