Proceedings of the Madras Government, Public Works Department, 11th January 1867.

No. 220. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 29th December 1866, No. 160 A :—

1. I have the honor to inform you that I have received a letter from Mr. R. E. Norfor regarding the appointments in the Gazette of the 18th December 1866, to the grade of Assistant Engineers, first class, to one of which he considers he had a fair claim.

2. Mr. Norfor was employed under me in 1856 and 1857 superintending the construction of District Roads. In 1858 he was appointed Assistant Engineer in the Public Works Department, and served in the Salem and South Arcot Districts until May 1863, when he lost his appointment through no fault of his own. He re-entered the department in 1865, and was appointed Acting First Assistant in the Gazette of the 11th April. He is now in precisely the same position that he occupied when he first entered the department, more than eight years ago.

3. As he has been employed under me the greater part of the time he has been in the department, I am well acquainted with his conduct and qualifications, and beg to recommend his claim to promotion to the favorable consideration of Government.
