*Proceedings of the Madras Government, Public Works Department,
17th April 1867.*

No. 384. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Dhurmavaram, 1st April 1867, No. 4 :—

1. I have the honour to report, for the consideration of Government, the following circumstance which has only lately been brought to my notice, as, in my opinion, the conduct of Mr. Wilson in this matter is very reprehensible.

2. In October last Mr. Wilson wrote to me, saying, that Overseer B. Moonesawmy Chetty had been constantly ill from "King's evil," and strongly recommended his being removed from the range; he also submitted a letter from the Overseer himself, begging to be transferred.

3. In reply, I informed Mr. Wilson that the Overseer could obtain medical advice at either Gooty or Anantapoor (both of which places were in Mr. Wilson's range), and, if necessary, submit a Medical Certificate if sick leave to Bellary or any other place for further medical advice was considered advisable. To this letter I got no answer.

4. In the end of January last, when I saw Moonesawmy Chetty, I inquired if he had got well of the sickness he had in October, and why he applied to be transferred. His reply was that he had not wanted to be transferred, that he had merely had boils; but that Mr. Wilson told him to apply to be removed, and as he was afraid Mr. Wilson would do all he could to injure him, he obeyed instructions and submitted the application. I directed him to put his statement in writing, and this I now enclose.

5. During the past year, I regret to say, that I found Mr. Wilson inclined to be indolent and inattentive, and have also been informed that he was very much in debt when he left the district, and that it was a wonder how he managed to get away.

6. The circumstance of Mr. Wilson having been in debt has been already mentioned in the Petition sent to Government, and which has been reported on by me. I now learn that suits have been filed and decrees issued against him; which have not been served, as Mr. Wilson was out of the country.

Sir,

In answer to your endorsement N: 243 of the
4th Instant on the Superintending Engineer's letter N: 3056
of the 30th ultimo, I beg to inform you that before the
time of my requesting for removal I was twice attacked
with a boil on my right cheek and notwithstanding
that the late Assistant Engineer J. L. Wilson Esq^r
given private quarrels with my brother & my brother
in-law Shop-keepers at Bellary about money matters
to whom I think he still owes some money, was
in very bad terms with me and keeping that in
his mind he has often reprimanded me un-
necessarily and threatened to break my character
if I continue in this Salug any longer: He has
