MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General. ... Here enter 9th March 1867, No. 1920.
Report from the Controller of Military Accounts... " 27th " C.

Memorandum from the Quarter Master General, Fort Saint George, 9th March 1867, No. 1920 ; to the Secretary to Government, Military Department.

Submitted for the sanction of Government, with reference to Proceedings of Government, No. 1099, dated 31st March 1857—the Cavalry lines at Arcot having long been abandoned.

From the Officer Commanding Centre Division, Madras, 23rd February 1867, No. 22 ; to the Quarter Master General, Fort Saint George.

I have the honor to report, for the information of His Excellency the Commander-in-Chief, that the Officer Commanding 2nd Regiment Light Cavalry, recently arrived at Arcot, has applied to me to issue instructions for building a forage yard, and for enclosing the horse lines of his Regiment with a wall.

I am led to understand that very little assistance is, under ordinary circumstances, needed for the preservation of horse lines, which Government expect to be maintained in good order by the Regimental horsekeepers, and by the sale of manure. However, under special circumstances such as the present, when the Lines have long been abandoned, I believe there would be no objection on the part of Government to granting aid, and I therefore submit the case for orders, and for the favorable consideration of His Excellency the Commander-in-Chief.

With report from the Controller of Military Accounts, 27th March 1867, C.

ORDER, No. 1339, 11th April 1867.

The Governor in Council sanctions the grant of assistance to the extent applied for in the foregoing papers, on account of the forage yard and horse lines of the 2nd Regiment Light Cavalry at Arcot—the cost being borne as a public charge. The papers will be communicated to the Department Public Works, in view to the necessary instructions being issued—the charge being met in the Military Department from Grant 14, " Miscellaneous," minor head, " Contingencies."
