*Proceedings of the Madras Government, Public Works Department,
24th April 1867.*

No. 420. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 15th April 1867, No. 115:—

1. In reply to G. O., No. 1,118, dated 11th instant, on a petition from Accountant Veeraragavalu, I have the honour to report that I am not prepared to intrust him with duties now performed by the two Clerks, P. Gurumurti Ayah and S. Sarungapauni Naidoo, who, though younger men, are passed candidates, and certainly more competent to carry on those duties than Veeraragavalu alone, even had his qualifications been greater than they are.

2. In consequence, however, of Lieutenant Filgate's absence at Bombay, and the unexpected delay that has occurred in appointing a new Examiner of Railway Accounts in his place, the Government audit must have fallen greatly in arrears, and I would recommend that Veeraragavalu may be detached from this office to assist in clearing them off.

3. When his services are no longer required, I shall endeavour to procure him employment elsewhere.

No. 421. ORDER THEREON, 24th April 1867, No. 1,210.

RAILWAY, No. 45.

The arrangement which is recommended in paragraph 2 of this letter is approved.
