*Proceedings of the Madras Government, Public Works Department,
24th April 1867.*

Read the following papers:—

No. 424. From the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 16th March 1867, No. 4,199.

1. With reference to the Notification in the official Gazette, noted in the margin, fixing the rates of premium at which remittances can be made by money orders, and the circumstance that the issue of privilege remittance receipts, hitherto allowed, is suspended, pending the introduction of the money order system, I have the honour to request the orders of Government as to whether it supersedes also the privilege conceded by G. O., 5th October 1866, No. 3,173, to this department, specially.

2. The Accountant General, Public Works Department, has, in his Docket No. 251, dated the 2nd instant, transmitted to me three copies of the rules for regulating Bills of Exchange; in paragraph 95 of which the restriction above referred to is enforced as respects all Government servants.

Referred to the Accountant General, who will be good enough to state whether, under the Rules referred to by the Controller, Officers in the Civil Department employed in the Mofussil can still be permitted to present their abstracts at Madras through their Agents.

From
J. Lushington Esquire
Accountant General
To The Secretary to Government
Public Works Department,
Sir

With reference to your docket upon the accompanying letter from the Controller of Public Works Accounts N^o 499 dated the 16th ultimo I have the honor to observe that, the privilege which has heretofore been granted to the Officers of the Department Public Works in the Provinces of drawing their salaries at Madras on Pay Abstracts presented by their Agents has not at any time, so far as I am aware, been accorded to Officers of that Department in the other Presidencies, and as it was obviously the intention of the Supreme Government in issuing the revised set of Rules regulating the issue of Bills of Exchange, Remittances Transfer Receipts &c. and the payment of salaries that those rules should obtain generally throughout India, it does not appear to me that the Madras Government would be justified in authorizing a departure therefrom except on very good grounds. The revised rules in question certainly confer no such privilege, nor are Military Officers in Civil employ in the other Departments of Government permitted

1867/1868

permitted to avail themselves of it, and I am not
aware of any thing exceptional in the case of Officers
of the Department Public Works, which would justify
their being placed in a more favorable position
in making their family remittances than Officers
in the other branches of the Service.

I have the honor to be
Sir

Your most obedient servant
