Report from the Contr. of Military Accounts 3rd April .. D

From the Superintendent Government Gas Works, Madras, 26th March 1867, No. 13; to the Secretary to Government, Public Works Department, Fort Saint George.

Baupsing, the foreman at the Government Gas Works was promised by my predecessor, Deputy Inspector General J. Mayer, that, on the completion of the alterations at the works substituting coal for oil in the manufacture of Gas, Government would be solicited to grant him an increase of pay of five Rupees monthly, in consequence of the increased work this new process of manufacture entailed upon him. This will make his pay 25 Rupees per mensem.

2. I have delayed bringing his application before Government, whilst negotiations were proceeding which might have resulted in a Company taking over these works. Government having in Order*

* 5th March 1867, No. 662. directed the alterations in the Fort to be proceeded with, I have the honor to recommend that this addition to Baupsing's pay may be sanctioned. He being an intelligent and trustworthy servant, and deserving this indulgence. The amount can be paid out of the present increased monthly allowance.
