*Proceedings of the Madras Government, Public Works Department,
26th April 1867.*

No. 473. Read the following letter from the Superintendent of Marine, to the Secretary to Government, Public Works Department, dated Madras, 15th April 1867, No. 1,508 :—

1. I have the honour to acknowledge receipt of your Memorandum of the 10th instant, No. 81, and to state that Mr. J. H. Dennison, of the Upper Godavery Works, who received the stores brought out by the "Dumphaild Castle," certified, under date the 12th November last, to their having been delivered in accordance with the Bill of Lading. No further remark is entered, and it is consequently to be inferred that the stores were delivered in good order.

2. I beg to express my regret that the orders conveyed in the Proceedings of the 31st July last, No. 2,406, should not have been attended to sooner. Instructions were sent to the Master Attendant at Cocanada to discharge the consignment. It appears, however, that Mr. Dennison is employed by the Superintendent of the Upper Godavery Works for this purpose; and no special report being received, the matter was lost sight of.

3. Although the certificate leads to the inference that the stores received no damage, the Master Attendant at Cocanada has been directed to ascertain and report whether such is the case.

No. 474. ORDER THEREON, 26th April 1867, No. 1,235.

ESTABLISHMENT, No. 52.

The Government will await the receipt of the report from the Master Attendant at Cocanada referred to in paragraph 3.
