MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memo from the Quarter Master General..... Here enter 1st April 1867, No. $\frac{84}{2552}$.

Report from the Controller of Mily. Accts..... " 6th " " B.

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 1st April 1867, No. $\frac{84}{2552}$: to the Secretary to Government, Military Department.

Forwarded, with reference to Proceedings of Government, No. 1329, dated 7th July 1864, paragraph 3, and with a request that the Mint Master may be instructed to make up the cooking range required for the use of the Horse Artillery at Bangalore.

2. The 6th range that is ready at the Mint for delivery, and referred to in Proceedings of Government No. 896, dated 12th March 1867, has been applied for for Wellington, *vide* this office letter, No. 70, dated 29th March 1867; and the Mint Master intimated to this Department, on the 24th April 1866, that that was the only range then being made.

From the Officer Commanding Mysore Division, Head Quarters, Bangalore, 27th March 1867, No. 130; to the Quarter Master General, Fort Saint George.

I have the honor to request that you will be so obliging as to inform me whether you can supply me with a cooking range, calculated to cook for 120 to 130 men.

2. Such a range is required for the troop of Horse Artillery at Bangalore, and until the kind of range available is known, it is not possible to design the new cook-room, to build which 1,500 Rupees has been provided in the budget.

3. A new cook-house is urgently required for the Horse Artillery—the present arrangements for cooking (in small native cook-houses) are wholly inadequate to the requirements of the Battery, and do not enable the men to obtain properly cooked food or comfortable meals.

With report from the Controller of Military Accounts, 6th April 1867, B.

ORDER, No. 1413, 16th April 1867.

Approved, and communicated to the Department Public Works, in view to the necessary instructions being issued to the Mint Master.
