*Proceedings of the Madras Government, Judicial Department,
24th April 1867.*

No. 156. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 15th April 1867, No. 640.

With reference to G. O., No. 16, dated 5th January 1866, Judicial Department, I have the honor to report that I consider the duties of District Superintendents of Police, as laid down in the proposed rules for the guidance of Officers concerned in the investigation of Railway accidents, very suitable and workable. They have been in successful operation since the reference was made in January 1866.

2. I must apologize to Government for a tardy reply to the G. O. in question. The fact is, the order reached me when engaged with the Khond disturbance in 1866. The rules were at once published to the Officers of Police, and have ever since been their working instructions and strictly carried out. But I overlooked that I had to report on this. This I now do with the advantage of being able to add that they are thoroughly workable, and in accordance with the Code of Criminal Procedure.

No. 157. ORDER THEREON, 24th April 1867, No. 626.

Communicated to the Public Works Department, in reference to G. O., dated the 27th March 1866, No. 450.
