*Proceedings of the Madras Government, Public Works Department,
30th April 1867.*

No. 577. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 16th April 1867, No. 121 :—

Read the following letter from the Collector of Coimbatore, to the Consulting Engineer for Railways, dated Coonoor, 21st March 1867, No. 7.

With reference to the correspondence noted in the margin, I have the honour to forward a Statement, together with a Bill for compensation due for those portions of land which are rendered useless by the appropriation for Workmen's houses at the Coimbatore Railway Station of the rest of the blocks to which they severally belonged, amounting to Rupees 968-7-9, and to request that the sanction of Government may be obtained for the same. These portions will be retained on behalf of Government, and disposed of when an opportunity offers.

1. Submitted to Government.
2. Major Shaw Stewart's endorsement, referred to in the margin of the Collector's letter, is printed in G. O. No. 3,123, dated 2nd October 1866, and it was explained in paragraph 7 that it was necessary that these portions of land, rendered useless by the appropriation for Railway purposes of the rest of the blocks to which they severally belonged, should be taken up on behalf of Government, and disposed of when an opportunity offers.
3. The Collector accordingly submitted the Register and Bill on the 21st ultimo; but as it was then too late to meet the charge from the Budget allotment of 1866-67, the bill was returned to the Collector, who again re-transmitted it, inserting that the charge is to be met from the Budget of 1867-68.
4. No provision, however, has been made in the Budget of 1867-68 for the Coimbatore District for the South-West Line. Pending, therefore, the submission of a revised estimate for land for the current year, I recommend that sanction be granted for the disbursement of the sum of Rupees (968-7-9) nine hundred and sixty-eight, Annas seven, and Pies nine, to be met from the general allotment of State outlay on account of land for 1867-68.
