REMARKS.

I. From the grant of Rupees 1,20,000 placed at the disposal of this Government for Jail accommodation, a sum of Rupees 40,000 was allotted for the Central Jail at Vellore ; but as the Superintending Engineer now reports that it will be impossible to spend, with advantage, more than Rupees 20,000, the balance has been diverted to the works in progress at the Penitentiary, the early completion of which is considered desirable.

II. The Consulting Engineer for the Madras Irrigation and Canal Company having reported that a sum of Rupees 10,895 will be available for transfer from the current year's grant for the purchase of land for the works of the Company, the amount was added to the allotment for the Coimbatore Central Jail, the early completion of which is of much importance.
