Copy of Testimonials

I do certify that Mr. J. Wade has been employed by me as a teacher in our schools at Bangalore from January 1864 to June 1865. During this time he has given me every satisfaction. His method of imparting instruction accompanied with a devotedness in the discharge of his duties merited my entire approbation. His moral conduct was good and irreproachable. He left me at his own request on the 1st of September 1865.

Catholic Chaplain

I do certify that Mr. James Wade had charge of the Roman Catholic School, at Palacram, as head master under my superintendence from July 1864 to the date of my departure from that station in January last, and that his ingenuous method of imparting instruction, his devoted zeal in the discharge of his duty, and his singular tact in the orderly management of the school, merited my entire approbation, and the esteem of the parents and guardians of the youths entrusted to his care. During the same time Mr. Wade's moral conduct was throughout unimpeachable and edifying.

I do hereby certify that Mr. J. Wade was employed as Schoolmaster of the R.C. School at Palaveram from the 18th of January 1865, to the 7th Sept. 1865.

The school is under my care, and I am only too happy to say that Mr. Wade gave me entire satisfaction in the discharge of his duties. He was not only attentive but really zealous. The parents of the children, who attend the school, have spoken to me from time to time in the highest terms of the progress their children were making under the able instruction imparted to them by Mr. Wade. Mr. Wade leaves his present employment at his own request, and in conclusion I must add that his moral character is irreproachable.

James Wade had been a student in this school for nearly six (6) months, during which time I have had every reason to be satisfied with ^{him} in every respect. He has great ability, is a well-read young man, and will, I doubt not, make his way in the world.

Mr. James Wade Head Master of my English School is possessed of considerable abilities, and obtained a high place at the Matriculation Examination in 1865. He is anxious for employment under Government, in order to improve his prospects.

I strongly recommend him to anyone who may require his services, as a sober, studious, industrious, and trustworthy person.

Extract from the report of C. D. McLean Esq. (B.A. Acting Inspector of Schools) about the R.C. Schools Bellary dated 18th Dec. 1867.

The present Head Master is decidedly a very able teacher, and well qualified to raise the standard of the school. He gave me several opportunities of judging of his teaching powers while the school was being examined.

Sir,

I beg most respectfully
to offer myself as a candidate for
employment in the Public Works
Department in the capacity of over-
seer. I have passed the Matricula-
tion Examination, taking Latin for
my optional language, and I
speak French. I have a sufficient
knowledge of mathematics for the
overseer's grade, and have been
lately practising surveying,
levelling, plan-drawing, and esti-
mating, under the direction of

Mr. Porter. As however I have but
little practical knowledge of the
requirements of an overseer, I should
like to be received on probation
for 12 months; after which time,
I believe I shall be able to pass
in every subject of the prescribed
examination.

Respectfully hoping that you
will lend a favorable ear to
my application.

I have the honor to be.

Sir,

Your most obedient servant,

Wm. H. Wade

Sir,

In forwarding the accompanying application from Mr. S. Wade ^{during} I beg to inform you that for the last few months I have had several opportunities of judging of his capability of filling a situation in the I.P.W. and considered him to be every way worthy of a trial. His College Certificate is a voucher for his general education, and with reference to the Departmental sciences of Surveying, Levelling, Drawing and Estimate making I found him an apt scholar, only requiring practice.
