Proceedings of the Madras Government, Public Works Department, 2nd May 1867.

No. 54. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 13th April 1867, No. 9:—

As the failing health of Anicut Superintendent S. Sembhulingum makes it very undesirable that he should continue longer at Bezoarah, where his constitution has become much injured, I have the honour, with reference to the expected promotions in the grades of Overseers, to request that Government will take his case into special consideration as that of an old meritorious servant, and appoint him to be an Overseer of the 1st grade, so that he may be removed to another part of the district without suffering in a pecuniary point of view. As you are personally acquainted with him, I need not enlarge on his excellent character and assiduity in his work.

No. 55. ORDER THEREON, 2nd May 1867, No. 1,319.

ESTABLISHMENT, No. 4.

In consideration of his high character and long and meritorious services, the Government will be prepared, on the receipt of the sanction of the Government of India to the proposed graduated scale of salaries for the Overseer class, to appoint Anicut Superintendent S. Sembhulingum a Talook Overseer of the first grade. Meanwhile, Colonel Winscom will report the charge to which he proposes to post that Subordinate, and the particular vacancy which he will fill.
