**ESTABLISHMENT, No. 23.**

Quarterly Statement of the strength and distribution of the Executive Establishments of the Public Works Department.

1. Much inconvenience having been occasioned by the incomplete manner in which the Return as per margin is in some instances rendered to this Office, Superintending Engineers are informed that, in hereafter taking into consideration the claims to advancement of members of the Subordinate Establishment, the characters entered against their names in the *last* quarterly Statements on record in this Office will alone be regarded, and that it is therefore absolutely necessary that those Returns should be punctually rendered, and that they should severally show distinctly the grounds on which each subordinate is recommended for promotion.

2. A Gradation List of the Subordinate Establishment will shortly be printed and circulated to all Superintending Engineers.
