Proceedings of the Madras Government, Public Works Department;
2nd May 1867.

No. 64. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 27th April 1867, No. 100 :—

I have the honour to observe that no provision has been made in the Budget of the current year on account of Tools and Plant "New Supplies" for the Tanjore District, although a sum of Rupees 575 was asked for under that head in Part V., submitted to the General Superintendent of Stores on the 29th October last. The expenditure under the said head during the current year has already amounted to Rupees 175, but the same remains unprovided for, for want of an allotment; I solicit therefore that an allotment of Rupees 575, as originally applied for, may be sanctioned under the head Tools and Plant "New Supplies" to this District.

No. 65. ORDER THEREON, 2nd May 1867, No. 1,324.

ACCOUNT, No. 5.

The Government are at present unable to sanction the grant for "Tools and Plant" which is applied for in this

letter, but should any savings in other Divisions be hereafter reported, the Superintending Engineer's application will be complied with.
